## DRAFTING

For your argument to be persuasive, you must present it in a clear and logical order. Use the chart to order your ideas into a coherent, or easy to follow, argument.

**Directions:** In the chart, draft your ideas for your argument’s introduction, body, and conclusion. In the body, list your reasons in order of importance (from most important to least, or least to most). Then add transitions between each reason.

**Introduction (including your claim):**

**Reason 1 (supported by evidence):**
