# 5/6 A Spelling Review

## Week 9

You've had a bunch of words the past few weeks and now it is time for a review.

Please review the words listed below. You should understand their meaning and the different prefixes and suffixes used. Your test will include writing down the words your teacher says (up to 15 words), proofreading a short passage, and picking the correctly spelled word from a list. Good luck!

- |                    |                 |                  |
